

# Poonindie Community Learning Centre Newsletter

WEEK 5, TERM 4 2021

## From the Principal

Hello and welcome to week 5! Things are ticking along very nicely here at the Poonindie Community Learning Centre! We are at the half way mark of the last term – and the last few weeks of term will see teachers completing key units of work in all of the 8 Australian Curriculum Learning Areas as well as rehearsing and making props for our end of year concert at the Nautilus Theatre on Thursday 9th of December – Please ***SAVE THE DATE!***

**Pupil Free Day:** There will be a PUPIL FREE DAY on Friday the 3rd of December (Friday week 8). This was originally penciled in for Monday 15th of November but this has been shifted to the 3rd of December. Staff will be using this day to assess and moderate samples of student’s Narrative writing using the Brightpath Narrative Ruler. We will also spend the time reflecting on and refining our Whole of Site Literacy and Writing Agreement, using our updated knowledge of best practice. This Pupil Free Day has been endorsed by our Governing Council.

### **Voluntary COVID-19 Clinic – Second Dose**

Students and community members who had their first dose of the Pfizer vaccine at the clinic held at our school (ASPEN MEDICAL), the second clinic will be held on the following 2 dates:

- Monday 22nd of November - Year 6 students
- Tuesday 23rd of November – Year 7 students

This is voluntary for students 12 years and over and for any interested member of our School community.

Accountability

Innovation

Respect

Resilience

## Year 5/6 Adelaide Camp – Term 4 Week 3

**Seth:** "The highlights of the Camp for me were Tree Climb, Space Discovery Centre, the Museum and Kingpin. The most memorable experience was bowling because I have actually never done that before. I came last but I had a blast!"

**Sarang:** "I loved the Tree Climb and Kingpin because they were good experiences and a new opportunity for me. They were fun and enjoyable and were a new challenge. My favourite food on camp was the tacos – we had these on the Wednesday night".

**Griffin:** "Tree Climb was definitely the best. The zip lines were really fun but freaky – they were super-duper high and for a start I was kind of scared yet excited at the same time. The bus trip was long and boring but I could have a good talk to my friends Carter and Max. The pizza at Pizza Hut was definitely the best pizza I have ever tasted! Delicious!"

## Wellbeing and Engagement Update – Mrs Anderson

# WET DAY

THURSDAY 2<sup>nd</sup> DECEMBER 2021

Students are super excited about our SRC event this term. What a spectacular way to finish our year. We will be getting information out regarding Cheeseburgers and Fruit Boxes very shortly. If you have any wading pools, slip n slides or inflatables that we can use please come and see me. We are hoping for some perfect weather like last year! This year we are raising much needed funds for the Leukaemia Foundation. SRC have selected this organisation for their commitment to support our local families. Please bring a gold coin to donate to this wonderful charity.

## Pastoral Care Update – Helen Schramm

Hi all

I hope your term is going super smoothly. I seem to be playing 'catch up' all the time!

Our deep freeze has arrived and so has the microwave – things are starting to come together in the *Innovation Hub*. The microwave bowl holders are continuing to be a popular fundraiser for the new room. Please feel free to come in and look at these – they are \$10 each (\$5 going to new room). Christmas is around the corner and these are a great & affordable gift!

I have noticed that the students are really excited about the end of year concert. There is a lot of chatter about it! There is fun and laughter in every direction in our yard during school recess and lunchtime. I even had a bat in the cricket game the other day – I think I need to sharpen up my skills though before the next attempt.

Keep well and enjoy

Helen Schramm
